Dear Eddie:

Recently, the Chicago Police Memorial Foundation learned that a group of professionals from the Young Presidents' Organization were invited to participate in a ride-along with the Chicago Police Department. Of course, all participants in a ride along with the Chicago Police Department are required to wear protective ballistic vests.

In order to facilitate this ride-along, Pat Ryan, Jr. of the Young Presidents' Organization offered to purchase the required vests. To that end, we are in receipt of a \$28,200.00 donation from Consolidated Trading that will cover the cost of the 60 vests needed to protect each participant during the ride along.

The Young Presidents' Organization has agreed that at the conclusion of the ride along, the 60 vests would then be donated to the Chicago Police Department for its unrestricted usage.

Please feel free to call me if you wish to discuss any aspect of this matter. Thank you for your continued support of the Chicago Police Memorial Foundation.

Sincerely,
